The Cook County Department of Transportation and Highways begins construction on the Rosemont Transit Center at I-90 and River Road in the Village of Rosemont.

This improvement is to expand the transit center to provide for an increase in public transportation demands resulting from the inauguration of express Pace service associated with the Jane Addams reconstruction.

This project provides Transit Center Improvements and shall include:

- pavement patching
- median removal and replacement
- curb and gutter repair
- bus shelter, lighting
- ADA sidewalk ramps
- restriping crosswalk
- drainage improvements as needed

Throughout the duration of the project, traffic patterns will be maintained. Motorists are advised to drive carefully and expect delays.
